## WEB DEVELOPER

## OBJECTIVE

*Quality-focused and results-driven professional seeking a position as a web developer.*

## EXPERIENCE

### FULFILMENT ASSOCIATE/PROCESS GUIDE

*Amazon UK service*

*(17/07/2021-16/02/2023)*

I was responsible for getting orders ready for customers relying on Amazon services, managing teams over shift day, day to day issue solving and reporting, keeping work flow well and communicating with team leaders and managers.

### WAREHOUSE OPERATIVE/ADMIN

*XPO Logistics*

*(26/06/2020-09/05/2021)*

I was responsible for preparing orders for customers relying on the Ted Baker brand, administrating orders, checking all information, and responding to questions from customers.

### MANAGER

*Kakadu Studio Koloru, Poland*

*(01/07/2019-30/03/2020)*

The main aim of this position was getting customers happy with our products and helping them with decisions. Additionally, I was preparing the new team to be ready for taking on my responsibilities as customer advisors. Administrating, communicating with a bookkeeper, social media and helping with creating a web site.
